

PROJECT REPORT TEMPLATE

INTRODUCTION

1.1 Overview

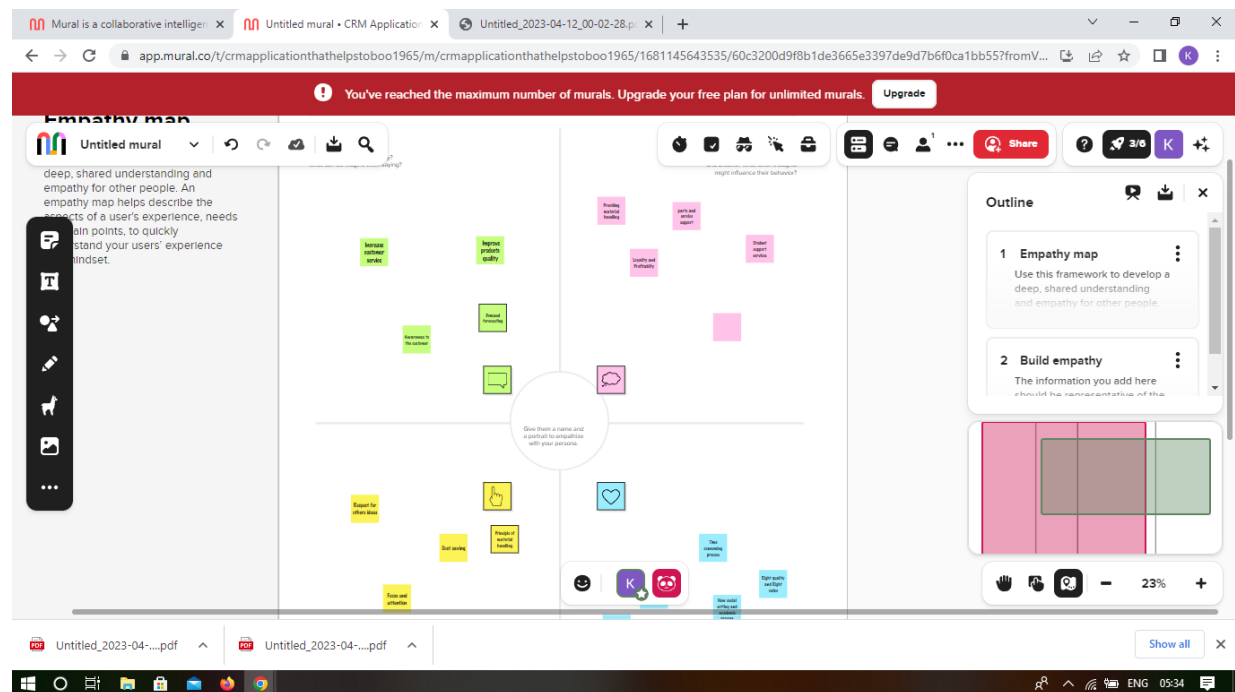

A Visa slot management project is a system that is used to track and manage the availability of visa slots, which are appointments that are required for certain visa applications. It might be used by a government agency or a visa processing center to schedule and manage appointments with applicants.

1.2 Purpose

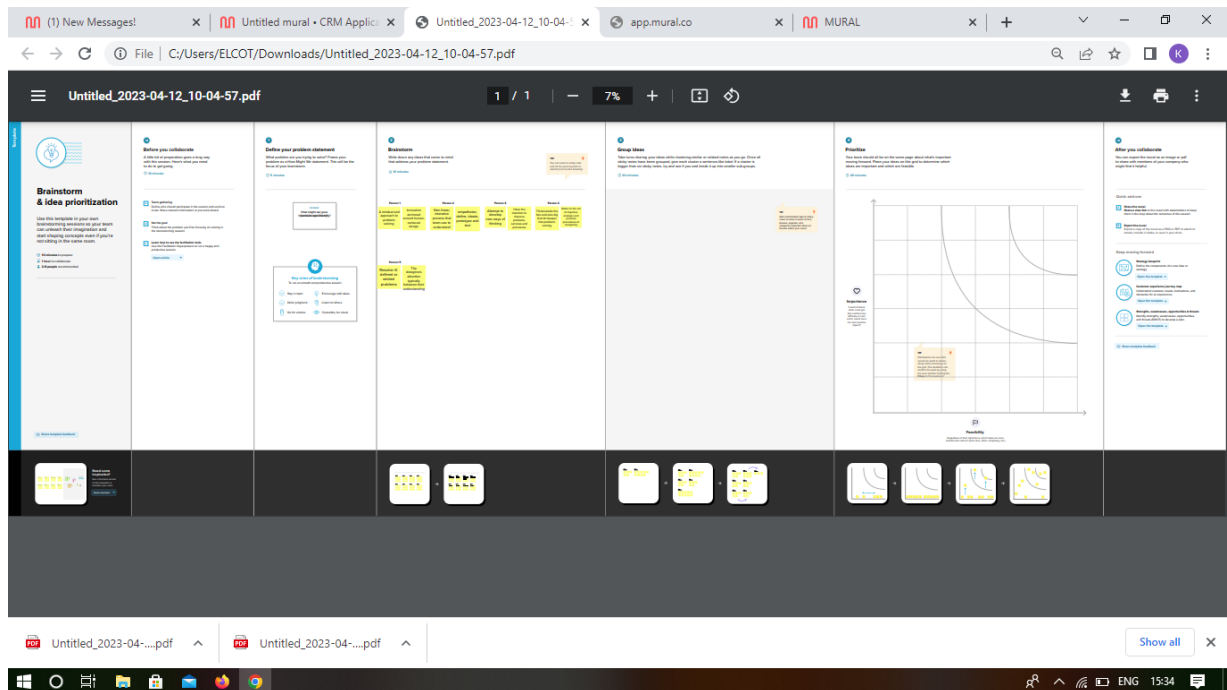

That helps us to Book a Visa Slot

Navigate to setup and select object manager. Given the label name, plural label, record name, passport number. Then add Tab selection, custom app the object will be available in all objects and select save option.

Navigate to setup and select the new selection ,data type and fill the details on the page and give the label number and contact number then select the page layout and save it.

MILESTONE 3

Relationship in salesforce is a 2-way.Using relationships we can link objects with

each other and we can make connections and display data about other related objects.

MILESTONE 4

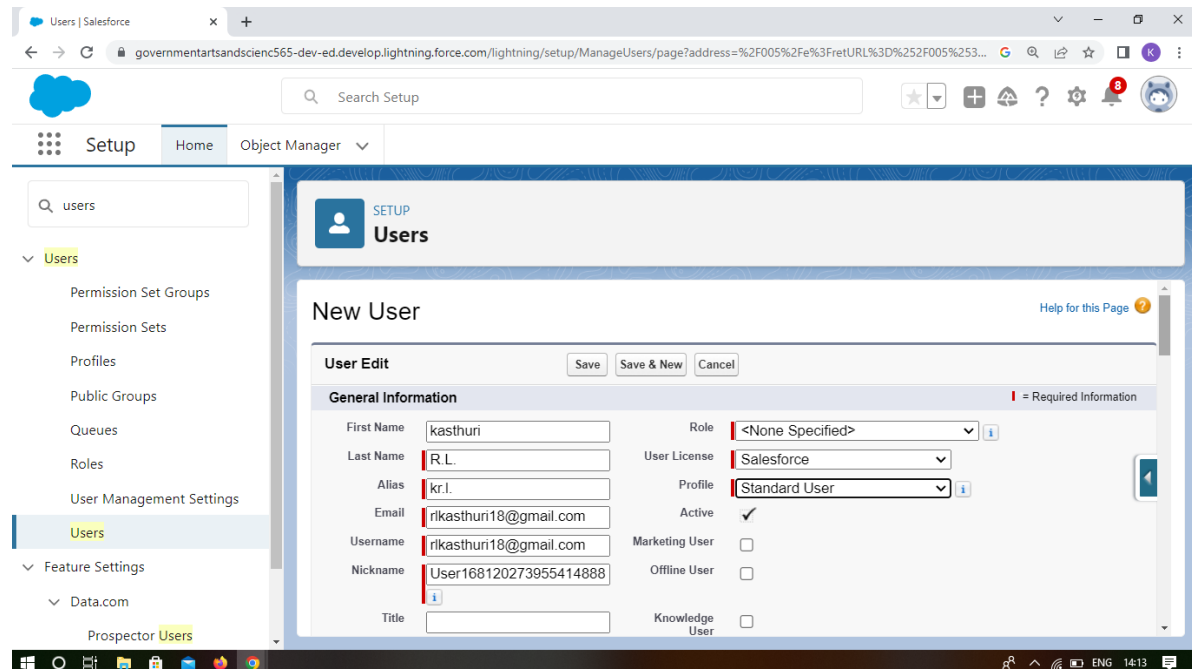

The screenshot shows the Salesforce Passport interface on a mobile device. The top status bar displays the time 9:36, 4G LTE signal, and battery level at 42%. The app header is titled 'Passport: New Custom Field ~ Salesf...'. Below the header is a navigation bar with tabs for 'Content', 'Subscriptions', and 'Masters'. A search bar is located above the 'Content' tab. The main content area is titled 'New Custom Field' and is at 'Step 4 of 4'. It contains a table with the following details:

Field Label	1234567890
Data Type	Number
Field Name	X1234567890
Description	

Below the table, there is a section titled 'Add Field' with a checkbox and a text input field for 'Page Layout Name'. The 'Passport Layout' is selected. At the bottom, there are buttons for 'Previous', 'Save & New', 'Save', and 'Cancel'.

An app is a collection of items that work together to serve a particular function, Salesforce apps come in two flavours: Classic and Lightning.

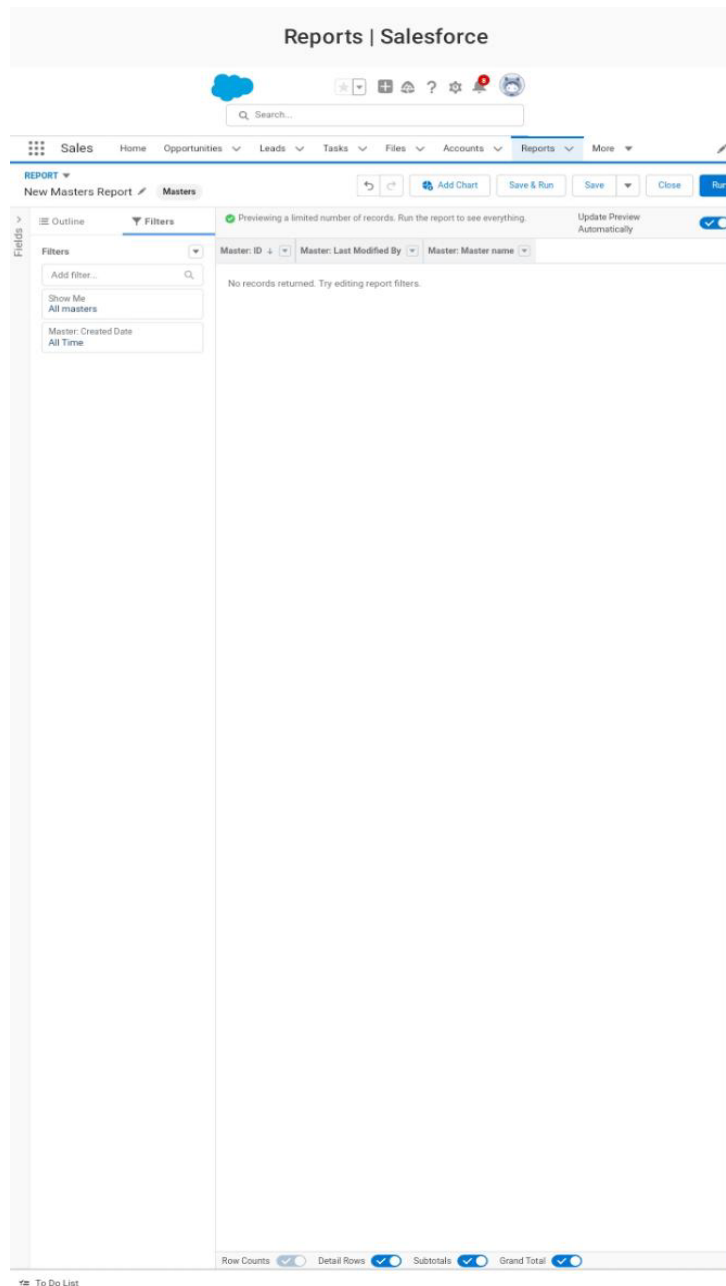

MILESTONE 5

A user is anyone who logs in to Salesforce. Users are employees at your company. such as sales reps managers, and IT specialists, who need access to the company's records. Every user in Salesforce has a user account.

This can be used to give permissions to the organization wide and it can be used for restrict the access, we can control the record level access.

MILESTONE 6

A report is a list of records that meet the criteria you define. It's displayed in Salesforce in rows and columns, and can be filtered, grouped, or displayed in a graphical chart. Every report is stored in a folder. Folder can be public, hidden, or shared, and can be set to read-only or read.

MILESTONE 7

Dashboards in Salesforce are a graphical representation of Reports. It shows data from source reports as visual components.

PROJECT REPORT TEMPLATE

5 ADVANTAGES & DISADVANTAGE

ADVANTAGES

A Visa card is wise choice for a number of reasons; It's one of the most popular credit cards in the world, it's accepted in more than 200 countries and territories and with visa's Zero Liability Policy, you won't be held responsible for unauthorized transactions made with your Visa card.

DISADVANTAGES

For any other purpose of their trip visitors must apply for a specific visa at the U.S. Consulate in their country.

Visitors are not eligible for change of status or adjustment of status in the United States.

APPLICATION

As an owner or manager, it is common to wake up one morning and realize you don't really know whether your sales are improved

when it comes to winning more customers, a Customer relationship management helps you make smarter decisions than your competition and offer people what they truly want. And if customers leave or your sales stagnate.

CONCLUSION

It was a very interesting and valuable project. The moral provides a strong conclusion to the fable often conveying a statement of advice on judgment. I have learned from this to book a visa slot. It is helpful for me to my next training.

FUTURE SCOPE

A Visa credit card doesn't just offer you convenient buying power. It can also

offer the opportunity to earn rewards, enjoy travel perks, get cash back and build up your credit history.
